Heritage at New Riverside Architectural Review Board Guidelines

As stated in your Heritage at New Riverside Covenants, any proposed installation, construction or alteration of any structure within Heritage at New Riverside must be submitted and approved through the Heritage at New Riverside Architectural Review Board (ARB).

The standard of conduct, maintenance, or other activity generally prevailing throughout the Properties. The Community-Wide standard shall meet the minimum standards established by the Design Guidelines, rules and regulation of the Association or Board resolutions, whichever is the highest standard. Such standard shall initially be established by the Declarant and may be more specifically determined by the Board of Directors and the ARB.

Any Owner may remodel, paint or redecorate the interior of structures on his or her Unit without approval. However, modifications to the interior of screened porches, patios, windows and similar portions of a Unit visible from outside the structures on the Unit shall be subject to approval.

Construction Period After commencement of construction, each Owner shall diligently continue construction to complete such construction in a timely manner. The initial construction of all structures must be completed within sixty (60) days after commencement of construction, unless extended by the ARB in its sole discretion. All other construction shall be completed within the time limits established by the ARB at the time the project is approved by the ARB.

Commencement of Construction For the purposes of this Section, commencement of construction shall mean that (a) all plans for such construction have been approved by the ARB; (b) a building permit has been issued for the Unit by the appropriate jurisdiction; and (c) construction of a structure has physically commenced beyond site preparation. Completion of a structure shall mean that a certificate of occupancy has been issued by the appropriate jurisdiction for the dwelling on the Unit.
